

NAVY Swimming Camp UPDATE #4 posted 7 June 2024

Greetings from Navy Swimming Camp. Just days and counting before the start of Session I. The schedule for session I will be posted by Tuesday June 11th (Monday June 17th for Session II.) Please note the following pieces of information in advance to the daily schedule.

Traveling to camp. See Camp Update #3 for instructions on traveling to camp. We will have camp swimming staff posted outside of Bancroft Hall near 6th wing as well as the submarine circle. If you are on the Naval Academy grounds and feel lost, just ask someone to point you in the direction of either 6th wing Bancroft Hall or the “sub circle.” As a point of reference, 6th wing is near the eastern side of Dahlgren Hall. Below is an image of the official map for the United States Naval Academy. To avoid any stress of having to find the 6th wing of Bancroft Hall, we recommend using our shuttle service. **NOTE: Report to Bancroft Hall first....not the pool (Lejeune Hall.) We will move the pool after registration is complete.**

Shuttle Schedule.

Tuesday June 11: Beginning at 12:00pm, a courtesy shuttle bus is available to bring you from the stadium to the Naval Academy (Mid store drop-off.) Travel to and park at NAVY MARINE MEMORIAL STADIUM (550 Taylor AVE, Annapolis, MD.) Drive into Gate 5 off of Taylor Avenue. Park then proceed to Gate Z of the Stadium near the Blue Angel display (same location as previous years for returning campers), you (and any accompanying guests) will board the shuttle which will bring you to the Naval Academy. Coaches will be posted at the stadium parking lot as well to assist with the process as well.

From 2:15-3:30pm, the shuttle will reverse direction to begin taking parents/family/friends back to the stadium. You are welcome to stay past 3:30pm if you would like. Just note that you will be on your own for transportation back to the stadium after 3:30pm. **At 2:15pm, the pick up**

Important. Please note that we will not be in close proximity to the phones for most of the day on June 11th/June 17th as we get camp started. Also important. If you are planning to remove your camper(s) from camp for any reason, please submit this request in writing. This includes any early check out. We will follow up in

writing with best available times. Location will always be the scorer's desk in Lejeune Hall. In recent camp seasons, we have experienced a greater than normal number of unannounced early departures from camp. These unannounced early check outs delay the process for everyone.

We look forward to the challenge and efforts to be put forth by the entire group this week. Thank you again for choosing Navy in 2024!
